

Directions to Pitkin C-211

C-211 is located on the second floor of the Pitkin building, around the corner from the Cafe (cafeteria). If you have been to the Bergen Bistro, it is in this same room. There are several ways to get to this room, depending on which entrance you use and whether or not you prefer to take the elevator or stairs.

Most Direct Route from Parking Lot B - Gym/Pool Entrance with Elevator

The easiest and most direct route by far to C-211 is to use the outside Gym/Pool entrance to Pitkin.

- From the B Parking Lot, walk past the T1 entrance of the Technology Building (T1 entrance that faces Pitkin) down a short road towards the Pitkin Gym/Pool entrance. Pass the East Entrance, and continue walking toward the small parking lot in front of the Gym/Pool entrance. This entrance will be on the left near the end of the parking lot.
- Enter and walk straight ahead (pass gym, pool, bathrooms, workout room, Bergen Cares and Threads) down a long hallway until you reach the elevator on the left hand side which is shortly after Threads.
- Take the elevator up to the second floor. When you exit the elevator, room C-211 will be directly ahead on your left.

Route from Inside Pitkin with Elevator

Enter any entrance and head to the Bookstore (far end of the Student Center, shortly past the One Stop Registration)

- Walk past the bookstore through the double yellow doors into the hallway. Follow the hallway around until you reach another set of double yellow doors which will lead you into the S Wing.
- Enter the S wing and not too far ahead you will see an elevator on your right. Take this elevator up to the 2nd floor.
- When you exit the elevator, room C-211 will be directly ahead on your left.

Route from Inside Pitkin with Stairs

Enter any entrance and head to the Bookstore (far end of the Student Center, shortly past the One Stop Registration.)

- Right before the bookstore, turn right and take the stairs up to the 2nd floor.
- At the top of the stairs on your right is the Cafe (cafeteria), and on your left are two double yellow doors. Walk through the double doors, pass the bathrooms on the left, and follow this hallway as it winds around.
- Soon you will see ahead at the end of the hallway an exit to outside. C-211 is right before this exit on the left.

Public Safety: If you have any trouble finding the room, you can Public Safety at (201) 447-7156 or drop by their office which is in the lobby of the South Entrance L-154, and they will assist you with finding the room.
